
Help welcome Sensei Laurendeau on his first visit to ASNJ...

“Daniel and I have been friends for over 25 years having trained and traveled together in Canada, the East Coast, Bermuda & Japan. He has an amazing & funny sense of humor and a light hearted, positive attitude towards every thing he does. An outstanding teacher, I’m sure you’ll want to be on hand for a terrific day of training and fun.”

- Rick Stickles
